

# St Oswald's CE VA Primary School

## Admissions Policy 2025- 2026

# St Oswald's CE VA Primary School

## Admissions Policy:

Principles and Implementation

Agreed by governors: May 2024

Implementation date: September 2025

Review date: September 2026

### Ethos and Values Statement

## St Oswald's Ethos and Values Statement

### Background

Our Ethos and Values Statement is an easy-to-understand model of religious education in St Oswald's. Children in our school know that love is the most important value of all, in line with the new command that Jesus gave us to love one another ([John 13:34](#)), which is why this is placed above all in our statement.

## *Vision*

Our school vision is 'God has a plan' ([Jeremiah 29:11](#)). At St Oswald's, we believe that God has a wonderful plan for us all and we seek to discover that plan on a daily basis, weaving this into our school values and all aspects of school.

## *Ethos*

Sitting below love lies our school's ethos: *Aspire, Believe, Connect*. As easy as A, B, C, this statement is easy to remember and most importantly represents what we want our children to do in every aspect of their education and lives.

## *Core Christian Values*

The mission statement is underpinned by seven core Christian values that each link to one aspect of *Aspire, Believe, Connect*. As children aspire to be the best they can be in every way, they will grow in wisdom. In order to believe in themselves and develop their own beliefs about the world around them, our children are taught about the importance of trust and strength on their journey. We also believe in the values of peace and friendship in helping us to connect with those around us. Binding together all of these and very much at the heart of our values - and indeed the Christian gospel/Jesus' teaching - is love ([John 3:16](#); [Mark 12:31](#)).

## **Introduction**

We intend to admit up to 30 pupils to the Reception year group each academic year. The governing body are the admissions authority for the school. Governors have made every effort to ensure that these arrangements comply with the School Admissions Code 2014 and all relevant legislation, including that on infant class sizes and equal opportunities. This arrangement follows consultation with the Local Authority, all other schools in the area and all other Admission Authorities in the area.

## **Admission arrangements to the Reception Year in September 2023**

Parents (see Note 1) wishing to apply for the Reception Year in September must complete the common application form provided by their home local authority. The home LA is the LA in whose area the parents live at the time of the application. The form must be returned to that LA no later than 15<sup>th</sup> January 2025. Applications received after this date will normally only be considered after

all those received on or before the cut-off date. Offers and refusals of places will be posted by the home LA.

### **Over-subscription criteria**

Children with a Statement of Special Educational Need or with an Education, Health and Care (EHC) plan naming St Oswald's CE VA Primary School will always be offered places. If there is then greater demand for admission than there are places available, the following criteria will be applied in the order set out below:

- 1 **Looked-after children and children who were previously looked after**, but ceased to be so because, immediately after being looked after, they became subject to an adoption, child arrangements or special guardianship order. (See Note 2)
- 2 **Children previously in state care outside of England**. This refers to children who were previously in state care outside of England, and have ceased to be in state care as a result of being adopted. (see Note 3)
- 3 **Children with a sibling** (see Note 4) on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.
- 4 **Distance from school** (see Note 5)

### **Tie breaker**

Proximity of the child's home, as measured by the straight-line distance (see Note 6) between the home and the school with those living nearer being accorded the higher priority, will serve to differentiate between children in criteria 1 to 4 should the need arise. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. The process will be conducted in the presence of a person independent of the school.

## **All Other Admissions**

Admission to the school during the school year depends on whether or not there are places available. Applications must be made directly to the local authority school admissions department. Admissions outside the normal age group will be dealt with as indicated below.

If there is a vacancy a place will be offered.

If parents are moving house, the school will ask for evidence of the move, before considering any application for a place. Documentary evidence in the form of a solicitor's letter to confirm exchange of contracts, or a rental agreement for at least a period of six months will be required (Armed Forces personnel are exempt). If you are returning from elsewhere, to live in a home that you own, we will require evidence to show that you have returned. We will also ask for evidence that any previous house owned has been sold or is being sold. We would not accept an address where the one given is that of a second home with the main home being elsewhere. If there are two or more homes, we will check which is the main home, and may refuse to base an allocation of a place on an address which might be considered only temporary. Nor would we accept an address where the child was resident other than with a parent or carer unless this was part of a fostering or formal care arrangement. We would not normally accept an address where only part of a family had moved, unless connected with a divorce or permanent separation arrangement, in which case we would require proof.

## **Waiting Lists**

The local authority maintains waiting lists for those children who are not offered a place for entry into Reception, and the parents ask for the child's name to be added to the waiting list. The order of priority on the waiting list is the same as the list of criteria for over-subscription and does not depend on the date on which an application is received. No account is taken of length of time on a waiting list. The school periodically seeks confirmation that parents wish a child to be kept

on the waiting list. Waiting lists will be maintained until 31 December of the admission year.

### **Fair Access**

The school participates in South Tyneside's LA's Fair Access Protocol. This covers, for example, children who have moved into our area after the normal admission round, or who need to move school as a result of severe bullying or social issues. Children qualifying under the Fair Access Protocol may be offered a place even if there are no places available in the relevant year group and also take priority for admission over any child on the waiting list.

### **Multiple births**

In cases where there is one place available, and the next child on the list is a twin, triplet, etc., we would admit both twins (and all the children in the case of other multiple births) even if this meant exceeding the agreed admission number for Reception or the number of places in other year groups in the relevant admission year.

### **Admission of children below compulsory school age and deferred entry to school**

The School Admissions Code requires school admission authorities to provide for the admission of all children in the September following their fourth birthday. However, a child is not required to start school until they have reached compulsory school age following their fifth birthday. For summer born children (those born after 1 April) this can sometimes be almost a full school year after the point at which they could first be admitted.

Some parents may feel that their child is not ready to start school in the September following their fourth birthday. Parents are entitled to request in writing that: -

- their child attends part-time until they reach compulsory school age, or
- that the date their child is admitted to school is deferred until later in the same academic year or until the term in which the child reaches compulsory school age The school will hold any deferred place for the child, although, in the majority of cases, we find that children benefit from starting at the beginning of the school year, rather than part way through it.
- that the date their child is admitted to school is deferred until the term after the child reaches compulsory school age.

The child must, however, start school full-time in the term after their fifth birthday.

If parents of summer born children wish to defer entry as outlined above and wish them to be admitted to the Reception Year in the term following their fifth birthday, rather than year 1, then parents should apply at the usual time for a place in September of the current academic year together with a written request that the child is admitted outside of his or her normal age group to the Reception Year in September the following year providing supporting reasons for seeking a place outside of the normal age group. This should be discussed with the Head Teacher as soon as possible. If their request is agreed, and this should be clear before the national offer day, their application for the normal age group may be withdrawn before any place is offered and they should reapply in the normal way for a Reception place in the following year. If their request is refused, the parents must decide whether to wait for any offer of a place in the current academic year (NB it will still be subject to the over-subscription criteria in this policy) or to withdraw their application and apply for a year 1 place the following year. Parents should be aware that the Year 1 group may have no vacancies as it could be full with children transferring from the previous Reception Year group."

Further information and advice on the admission of summer born children is available from [school.admissions@southtyneside.gov.uk](mailto:school.admissions@southtyneside.gov.uk)

### **Admission outside normal age group**

Requests from parents for places outside a normal age group will be considered carefully e.g. for those who have missed education due to ill health. Each case will be considered on its own merits and circumstances. However, such admissions will not normally be agreed without a consensus that to do so would be in the pupil's interests. It is recommended that parents discuss their wishes with the head teacher in advance of applying for a place. The governors may ask relevant professionals for their opinion on the case. It should be noted that if a place in the requested age group is refused, but one in the normal age group is offered, then there is no right of appeal.

### **Appeals**

There are established arrangements for appeals against non-admission. Details and appeal forms are available from the school appeals team, including the date by which an appeal should be submitted. It should be noted that, in the event of an unsuccessful appeal against non-admission to the school, the school does not consider any further application in the same school year (1 September - 31 August), unless there has been a material change in circumstances, for example a change of address which results in a move from outside the catchment area to inside it.

Parents who wish their children to attend the school are most welcome to visit. Arrangements can be made through the Secretary at the school.

## Notes

**Note 1** "Parent" is defined in law (The Education Act 1996) as either:

- any person who has 'parental responsibility' (defined in the Children Act 1989) for the child or young person; or
- any person who has care of the child or young person.

If you are in any doubt, please contact the school for advice.

**Note 2** By a "looked-after child" we mean one in the care of a local authority or being provided with accommodation by a local authority in the exercise of its social services function. An adoption order is one made under the Adoption Act 1976 (Section 12) or the Adoption and Children Act 2002 (Section 46). A 'child arrangements order' is one settling the arrangements to be made as to the person with whom the child is to live (Children Act 1989, Section 8, as amended by the Children and Families Act 2014, Section 14). A 'special guardianship order' is one appointing one or more individuals to be a child's special guardian/s (Children Act 1989, Section 14A). Applications under this criterion must be accompanied by evidence to show that the child is looked after or was previously looked after (e.g. a copy of the adoption, child arrangements or special guardianship order).

**Note 3** Children previously in state care outside of England means children who have been looked after outside of England by a public authority, a religious organisation or another provider of care whose sole purpose is to benefit society. The care may have been provided in orphanages or other settings. In the case of children adopted from state care overseas, the admissions authority will require evidence that a child is eligible by asking the child's parents or carers for appropriate evidence of their previously looked-after status.

**Note 4** By sibling we mean a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the

parent's/carer's partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling. The sibling must be attending the school at the same time. It is helpful if parents make it clear on the application form where the sibling has a different family name. Where there is more than one sibling at the school, only the youngest should be listed on the application form.

**Note 5** By normal home address, we mean the child's home address. This must be where the parent or legal carer of the child lives with the child unless it is proved that the child is resident elsewhere with someone else who has legal care and control of the child. The address should be a residential property that is owned, leased or rented by the child's parent/s or person with legal care and control of the child.

To avoid doubt, where a child lives with parents with shared responsibility, each for part of a week or month, the address where the child lives will be determined having regard to a joint declaration from the parents stating the exact pattern of residence. If the residence is not split equally, then the relevant address used will be that at which we are satisfied that the child spends the majority of the school week. Where there is an equal split or there is any doubt about residence, we will make the judgment about which address to use for the purpose of determining whether or not to offer a place. We will take into account, for example, the following:

- any legal documentation confirming residence
- the pattern of the residence
- the period of time over which the current arrangement has been in place
- confirmation from any previous school of the contact details and home address supplied to it by the parents
- where the child is registered with his/her GP
- any other evidence the parents may supply to verify the position.

We may ask for evidence of the normal home address in the form of a recent bill. This could be, for example, the most recent Council Tax bill, utility bill no more than three months old, a current TV licence, buildings and contents insurance, mortgage statement or rent book which shows the address concerned. Parents who are unable to provide this evidence should

contact the school to discuss what evidence might be acceptable. If it becomes clear or if there is any doubt that the parents and child are not living at the address given on the application form, the school may seek further evidence. The school works closely with the LA to ensure that places are not obtained at the school on the basis of false addresses, and, in cases of doubt, will take steps to verify the information provided. If a place at the school is offered, and it later becomes clear that the offer was made on fraudulent or misleading information (e.g. a false claim to living in the catchment area), and the school has denied a place to a child with a stronger claim, the school will withdraw the offer of a place. The offer can also be withdrawn even after the child has started at the school.

We regard a child's home address to be where he or she sleeps for the majority of the school week (Monday to Friday). We may ask to see official documentation, there are reasons why a child does not live at his or her parent's address. For example, if he or she is resident with a grandparent, this needs to be made clear on the application form. If such arrangements are not declared or a relative's address is used on the application, we may consider that a false declaration has been made, and withdraw the offer of a place. Childcare arrangements are **not** sufficient reason for listing another address.

If parents move house after the application has been made, but before any offer of a place has been made, the home LA must be informed.

If parents are moving, we will ask for evidence of the move, before considering any application for a place under the co-ordinated scheme.

We would not accept an address where the one given is that of a second home with the main home being elsewhere. If there are two or more homes, we will check which is the main home, and may refuse to base an allocation of a place on an address which might be considered only temporary. Nor would we accept an address where the child was resident other than with a parent or carer unless this was part of a fostering or formal care arrangement. We would not normally accept an address where only part of a family had moved, unless connected with a divorce or permanent separation arrangement, in which case we would require proof.

The straight-line distance used to determine proximity of the parental home residence to the main entrance of the school will be measured by the

LA's Geographical Information System as described in the LA admissions booklet.
