Date: 12/08/2024

South Tyneside Council,

I am writing to you on behalf of the Friends of Market Dock Pathway regarding our DMMO application which was submitted to yourselves on the 25th of July 2022, and your decision to send us a notice declining to make the DMMO order on the 16th of July 2024.

We have today the 12th of August 2024 lodged our appeal to the planning inspectorate at DEFRA, both by email and special delivery for their consideration.

I trust this is everything required to serve this notice but please let us know of if you have any issues before the deadline to appeal expires on the 13th of August.

Kind Regards
